

Ski Racing Australia update to members regarding membership types for the 2017/18 season.

Dear Members,

Ski Racing Australia (SRA) continues to work hard to address the issue of attracting new members for the 2017/18 season and pleased to announce that the Back to Racing and Regional membership types and Weekend Warrior class will be continued in the 2017/18 season.

1. Back to Racing (B2R) membership

The Back to Racing program continues for the 2017/18 season.

- A 3 Year membership cycle that is available to new members, and/or competitors that did not race in the 2015/16 season and prior.

Driver/Observer	\$400	\$600	\$800

Boat	\$600	\$800	\$1000
Speed Restriction	90MPH	90MPH	100MPH
Series Events	5 Days	5 Days	5 Days
Major Events	2 Events	3 Events	4 Events

- A tiered membership pricing policy that aims to bring all competitors and clubs back under the sanctioning of Ski Racing Australia.
- Competitors/boats competing under this membership are restricted to 90mph or 100mph at Major River events regardless of class entered (except 60mph and 70mph).
- A person or boat can only spend a maximum of one year within a tiered bracket.
- State or Australian Titles events are included as a **major event** under this membership type.
- This membership type is included in all SRA classes.
- Race entry, RaceSafe and Levies to be paid separately per event.

2. Weekend Warriors Class

The Weekend Warrior package is still included for the 2017/18 season.

- Available at any SRA fully sanctioned event, Class to be included at event organiser's discretion.
- This is for members returning to competition who did not race in the 2015/16 season, or new members only.
- Those competitors that raced in Weekend Warriors in 2016/17 may compete again in Weekend Warriors in the 2017/18. One race only per season.
- This offer provides an opportunity for a reported number of teams ready to get back into racing at a low cost.
- Class speed restricted to 70mph.
- Members wishing to be in the Weekend Warrior class are subject to the same membership requirements as a full member.
- The Weekend Warrior class is a Come N Try initiative.
- If you do one race and want to do more you within the same season you would upgrade to a "full, or Back 2 Racing" membership.
- Cost is \$600 for the Weekend Warrior class for 4 persons and a boat. Race entry, Racesafe and levies to be paid separately per event (subject to conditions of entry to the Weekend Warrior class at each particular event)

3. Regional Membership.

This membership is designed to attract the traditional unsanctioned racing competitor to join SRA at a local level only.

The board has identified some struggling regions around the country and have introduced a 'Regional Membership' to assist in combatting uneconomical turn outs to Series Days and Point Scores.

- Regional Membership only allows for point score racing in that specific nominated region
- No State Titles – National Titles - Majors may be entered into under a Regional membership
- Designed to entice people / families to run under the sanctioned banner.
- Current approved regions
 - FNQ
 - SEQ
 - TWEED RIVER
 - BIG RIVER (GRAFTON)
 - HUNTER
 - ACT

If you think you may be eligible for one of these offers, please contact the SRA Membership Manager on 03 9681 7058 and – Get Back on the Water.
